

We can't take it anymore!
**OUT WITH MILEI AND HIS
BOSSES OF JP MORGAN!**

MIDDLE EAST

US "ceasefire" with Iran began with a massive Zionist bombing on Lebanon

To defeat the genocide and the US counterrevolutionary offensive:

**WE MUST OVERTHROW TRUMP IN THE US,
CRUSH THE ZIONIST BEAST, AND BREAK
THE SIEGE ON GAZA!**

Just like yesterday in Gaza, a Zionist genocide begins in Lebanon.

*Millions take to the streets in the US against Trump at the war-cry "No kings!..."
Let's Occupy Wall Street, the true 'king' of the US pirates!*

SYRIA

Mass uprising in support of the Palestinian people
